About The Author
My Name is Camasha M. Ceiveux. I am a wife, mother, daughter, lover, sister, creator, that was honored to have used **TIME** productivity to put in the Ambitious Collective together. My Outreach is extended to those that have drawn me their early membership status, supported me in **AMBITIOUS** and to whom consciously take the Ambitious Collective pledge, primarily as public towards regarding its promotion. We are ALL a Team.

I live in Portland, Oregon, Florida and I have been blessed with two daughters, Blake and Brooklyn. As a result, I constantly work to uphold my responsibility of the Ambitious Collective groups for them and no one else's race. I am married to Reynold Ceiveux, my favorite love, biggest supporter, great dad and friend.

Originally, from the Island of Trinidad at the Windward Islands of the West Indies, I carry an unbreakable pride for my parents, John and Bula Alexander's wife. It is a foundation that we and my siblings, Joseph McLeod, John Alexander, Jr and half brother, Terrell Alexander share and have grown up honoring. It never ceases to amaze us who we are today.

Most importantly, this book was written to start a conversation and take a purposeful **MOVEMENT**. It is a product of experiences, trials and tribulations which established **WHY** it is the movement was not only **IMPORTANT** but **NECESSARY**. It is my hope that the Ambitious Collective is kept read or passed on many times to empower people to be better, not better for long, it that will stay and create constant advances for their careers, growth and well-being for you. It has reminded me the **WHO I AM** is not **WHAT I DO** but **WHAT I GIVE OF WHAT I POSSESS**...now may I **HELP** you **DEFINE YOUR SPACES**.
